## SWORN TO SECRECY

A comprehensive and unique study of the conspiracies and espionage at the heart of some of the most significant moments of the 20th Century, this fascinating documentary series uncovers the amazing stories of cunning, deception and sabotage that have changed the course of modern history.

From double agents, intelligence gathering and code-breaking machines to secret weapons, spy planes, and guerrilla campaigns, a wealth of undercover tactics used by some of history's most influential leaders are revealed. The series uses rare archival footage, formerly classified documents and messages, coupled with interviews with experts, authors and eyewitnesses from all over the world. The emphasis is on storytelling, with interviews and evidence backed up with 3D graphics, on-location shooting and re-enactments to bring history to life.

Interviewing prominent authors with unique perspectives on the clandestine aspects of conflict, the creators also work with top spies of the era such as former Directors of the CIA, James Woolsey, Richard Helms and Dr. James Schlesinger; former Chairmen of the KGB, Generals Vladimir Semichastny and Alexander Shelepin; and former Directors of the MOSSAD Meir Amit and Isser Harel.

Other experts, many of whom have previously avoided commenting on the topics explored, participate in the series including Henry Kissinger, Robert McNamara, Dan Quayle, John Sununu, James A. Baker III, Jack Valenti, Howard K. Smith, John K. Singlaub, David Eisenhower, Dr. Sergei Khrushchev, Arthur Schlesinger, Jr. and Senator John McCain.

Utilizing the services of two former U.S. Air Force Captains with active duty military command experience in Operation Just Cause in Panama, Operation Desert Shield and Operation Desert Storm, the series does not dumb down the military vernacular or the secrets themselves. Oscar winning actor Charlton Heston narrates each episode and award-winning composer Ramon Balcazar conducts a 45-piece orchestra for the series' main themes.

With each episode telling a strong, specific and factual story, **Sworn to Secrecy** has become an instant classic offering the most historically accurate complete guide to espionage in the 20th Century ever produced.

### Documentary Series: 39 x one hour

A Documedia Group LLC production

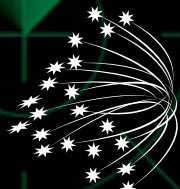

Supervising Producers: John Corry, Charles Proser, Robert Beemer

Executive Producers: Chris Chesser, Alan Beattie
