SYNOPSIS

STREET LEGAL has been described as "the best Canadian-made series on TV" as well as "provocative, hard-hitting, and downright steamy." This exciting hour-long dramatic series chronicles the personal and professional lives of four trial lawyers in a busy downtown law office.

Carrie, Leon, Chuck and Olivia live in the turbulent war zone between the cops, the criminals and the courts.

Carrie, headstrong and compassionate, champions her clients in the courtroom, sometimes getting a little more involved than she bargains for. Leon is a passionate civil rights lawyer who always challenges the system. Chuck dreams of money, of success...and of Olivia, the beautiful and fiercely ambitious fourth partner whose questionable methods create havoc in the firm.

Real-life storylines and special guest stars come together in this fast-paced series to create a vibrant kaleidoscope of clients, lovers, conflict and passion.
