ADD BITE WITH VALEMONT

Perfectly capturing the vampire teen zeitgeist, **Valemont** is a thrilling High Definition 35 x 2½ - 4½ minute multi-platform drama series written by Christian Taylor (*Lost*, *Six Feet Under*) and produced in partnership with MTV by Electric Farm Entertainment, creators of the revolutionary online series, *Afterworld*. At Valemont University, the students are young, beautiful and the future of the world – but nothing is quite as it seems... The university is not just a school for humans but a breeding community for vampires too. Here the vampires are brought to life through birth rather than with a bite. The professors are the elders and the students are the next generation, learning social behaviours and training to become the monsters of legend in order to fulfil their blood legacy. But Valemont's residents will go to any lengths to stop their dark secrets from being revealed. Created by Brent Friedman and starring Kristen Hager (*Wanted*), Eric Balfour (*24*), Nikki Blonsky (*Hairspray*) and Dillon Casey (*Being Erica*). Also available as 5 x half hours or as a 100-minute movie version.

FIREWORKS INTERNATIONAL PRESENTS WORLD FIRST WITH SHADOW LINE

Part of a first-look deal with multi-platform producers Pure Grass Films, thriller **Shadow Line** is packed with relentless pace and gritty realism. When CIA agent Tom Wisher is betrayed, he soon discovers that true justice can sometimes only be found outside society and its laws. In a world first, *Shadow Line* presents online viewers with the opportunity to choose which path Wisher should follow. Starring Vincent Regan (*Troy*, *300*) and Josh Dallas (*The Descent 2*), the series consists of a completed 6 x 4 minute stand-alone prequel, 20 x 4 minute full series and feature version in development.

THE 37... ON A MISSION AT MIPCOM

Offering adrenaline packed animation **The 37** is a 5 x 4-5 minute crisp high resolution multi-platform series drawn by world-renowned John McCrea (*Batman*, *Hitman*, *Punisher*) and produced by Tern TV. Imagine if every major natural disaster was linked to the wellbeing of 37 individuals. Protected by a group known as Kismet, when one of the 37 dies, another is born without consequence (unless an unnatural death occurs). Carnage ensues when five mercenaries are hired to kidnap the 37.

FOXBYTES SERVES UP IRRISISTIBLE ENTERTAINMENT

A range of entertainment programming is available in the **FoxBytes** collection - six original short-form series from Fox International Channels perfect for multi-platform viewing. Full of humour and suitable for a range of target audiences, the collection includes the animations *Security 7* and *Dito* alongside live-action comedy *Single Dads*; movie summary *Movie In A Minute*; the mad, esoteric newscast *Behind The News* and *Know Your Enemy*, an essential guide to relationships.

YOUTUBE SENSATION MAKES A ZOMBIE MOVIE

Innovative cross-platform documentary **Bryony Makes A Zombie Movie** continues the horror theme, following Bryony Matthewman on her quest to make a zombie movie entirely from contributions by her millions of online fans. Presented in comic, gothic B-movie style and packed with a wealth of video blog material, this 30-minute special and series of 34 x 2-5 minute "Zombisodes", produced for the BBC by Hat Trick Productions (*Room 101*, *Fonejacker*), reveals the ingenuity of zero-budget filmmaking and the internet's ability to bring people together.

WELCOME TO HOLLYWOOD

Get up close and personal with today's hottest stars! Trend leader **Young Hollywood** presents the inside story on the next big thing before it becomes the next big thing, offering unprecedented access to the world of music, sport, movies, television and fashion.

KA-POW! - BREAKING FUNNY BONES WITH A KUNG-FU GRIP!

The phenomenally successful animation franchise *Happy Tree Friends* from Mondo Media continues with action-packed spin-off **Ka-Pow!** featuring explosive new capers from six select characters. No matter how innocently they begin, the adventures of these cute, cuddly animals always go horribly wrong, with chaos lingering around every bend. With timeless, international themes suitable for a teen/young adult audience, *Ka-Pow!* is being launched alongside a range of new animation shorts including *We Are Robots*, *Cat Slap* and *County Ghost* from Mondo Media.

ALSO NEW AT MIPCOM

Irreverent short-form animated parody series **Hidden Celebrity Webcam** gives audiences a voyeur's glimpse into the most private – and embarrassing – moments of the world's favourite celebrities. **Katie & Co** is the must-see 10 x 5 minute comedy drama series from Bigballs Films, producers of *KateModern*, following Katie Webb through her reassuringly haphazard life and, finally, online drama series from Hat Trick Productions, **Neon Candy**, which features budding young journalist Jen as she reveals the highs and lows of her exciting life in the city.

REVEALING THE DEMONS OF EXTREME SPORTS

First-time filmmaker Carlo Mancini explores the concept of fear in extreme sports athletes in **Conquering Demons**, a 45 episode short-form online docu-drama from Bigballs Films, producers of interactive online drama *KateModern*. Following real-life champion snowboarders Tyler Chorlton and Scott McMorris as they shoot a snowboard movie, Carlo delves into their deepest fears, exploring how they handle their demons on and off the mountain. But, when strange goings on begin, viewers will become aware there is more to this show than meets the eye...

EMMY® NOMINATED SCI-FI DRAMA AT CANNES

The International Emmy® nominated **Kirill** is an ambitious 10 x 3 minute and 1 x 40 minute live-action science fiction online drama from Endemol Digital Studios. Shot in HD, *Kirill* (David Schofield, *Gladiator*) is a man locked in an abandoned research facility in a post-apocalyptic London in the year 2048. Desperately trying to send a message of warning to investigative journalist Vivienne Villars in the year 2008, *Kirill* soon realises that only he can ensure her destiny is fulfilled, even if it may result in her death. **The Complete Kirill** is also available, incorporating video blogs, extra online footage and hidden content.
