The Band. The Music. The Story.

Producer/director Jon Brewer captures, for the first time, the incredible story of one of rock's original super-groups, Bad Company, creators of a powerful true rock sound and spirit that imprinted upon the 1970s and continues to sell out stadium tours worldwide.

Through previously unseen behind-the-scenes footage and exclusive interviews, the film uncovers the truth behind their early management, the relentless tours, the rise and fall of super manager Peter Grant, and the death of drummer John 'Bonzo' Bonham.

Supported by Bad Company's major hit tracks, this candid film celebrates rock's hottest anthems in the company of the group's remaining three members, Paul Rodgers, Simon Kirke and Mick Ralphs, alongside contemporaries Brian May, Zoot Money, Sam Moore, Joe Elliott, Jason Bonham and many more.
